The Illuminating Engineering Society of Australia and New Zealand is an organization with Chapters in the five mainland States of Australia and New Zealand. The Society operates under the name: IES: The Lighting Society.

The aim of the Society is the advancement of the art and science of illumination and the dissemination of knowledge to all interested parties. The Society's diversified membership includes engineers, architects, educators, students, contractors, manufacturers and designers.

Arcus

Arcus is the official newsletter of the QLD Chapter of the Illuminating Engineering Society of Australia and New Zealand.

Memberships

There are two types of membership available; individual and corporate (or company).

For further information on membership contact Queensland Chapter at the below address or visit the ies website.

PRESIDENT'S MESSAGE

Welcome all members to the April ARCUS

Firstly, I would like to welcome new members to the society and to retuning lapsed members who have decided to reconnect with us.

If you know of anyone interested in re-joining or even upgrading their membership the process has been simplified so I urge you to apply. Gillian Isoardi and Patrick Rident – Tiercelet are our Membership Managers, and I am sure they will be able to guide you through the process

Our awards entry portal will be open early May for members to enter lighting designs and luminaire designs for our judging panel. Please keep checking the web site and look for some useful tips and information on how to enter to get the best result

The Queensland CMC are looking for Judges for this year's award entrees. Please contact Steve Hare or Ricky Coombs if you would like to be involved in judging for the lighting design awards.

We have decided to change the venue for this year's awards night. I am proud to announce we are holding the night at the Princess Theatre at Woolloongabba. The venue is the oldest Theatre in Brisbane and has recently had an upgrade in facilities including in house lighting. The menu and entertainment package will also be built around the theme of the night. All shall be revealed.

The night has been booked for the 11th of November, we are looking at having a 1920's theme with some fun activities including a people's choice award.

That's it from me for this month. Enjoy this addition of Arcus.

As always, please don't forget about our social media platforms:

Or feel free to message me at qldpresident@iesanz.org

Sponsors needed within the Lighting Community to host & present at future technical presentations for our Queensland members and associated industries.

If you have a technical presentation that would be of interest and relates to all forms of lighting topics example: Technology, Australian Standards, Sports, Emergency, Roads, Education, Office, Retail etc.

If you are keen to discuss further an opportunity to share your knowledge with your peers, please make an initial contact with Ricky Coombs info@ienlight.com.au

BRISBANE CALLING
“ Expression Of Interest ”
