The Illuminating Engineering Society of Australia and New Zealand is an organization with Chapters in the five mainland States of Australia and New Zealand. The Society operates under the name: IES: The Lighting Society.

The aim of the Society is the advancement of the art and science of illumination and the dissemination of knowledge to all interested parties. The Society's diversified membership includes engineers, architects, educators, students, contractors, manufacturers and designers.

Arcus

Arcus is the official newsletter of the QLD Chapter of the Illuminating Engineering Society of Australia and New Zealand.

Memberships

There are two types of membership available; individual and corporate (or company).

For further information on membership contact Queensland Chapter at the below address or visit the ies website.

PRESIDENT'S MESSAGE

Welcome all members to the March ARCUS

A call to all Queensland members to attend our online AGM for nominations. The AGM will take place on Monday the 29th August in the Boardroom at Murarrie with an online option. Nomination forms will be sent out from the Secretariate this week. Please take this opportunity to involve yourself and have your say.

The Awards Night Dinner is planned for the 11th November and things are progressing well and we are looking to set a 1920's theme for the night to add a bit of fun. Tickets for spots on the tables and sponsorship packages will be available so jump on the web site and book your places as soon as it becomes live. Anybody wishing to sponsor the awards night should give me a call. I will also be calling some of you who have sponsored in the past.

As always, please don't forget about our social media platforms:

Or feel free to message me at gldpresident@iesanz.org
