PRESIDENT’S MESSAGE

Welcome all members to the first instalment of Arcus for 2023

This is our first ARCUS since the awards night so I would like to take the opportunity to congratulate all the recipients and thank all the entrance for making the awards part of the night engaging. thank you also to all the members that attended and to the sponsors that made it possible for the committee two present such a fun evening. Speaking of the Annual awards night dinner please be prepared for a rise in Ticket Prices and Sponsorship Costs in 2023 like everything at the moments the costs of running these events are huge and being a non-for-profit organization The IESNZ would at least expect to break even on this event.

I would also like to take this opportunity to welcome three new CMC committee members. I would like to welcome Jason McKander, Martijn Warren and Kris Boveinis to the committee for this year and take this opportunity to thank outgoing CMC member Scott McCarthy for all his hard work and efforts over the past 3 years or so.

A big thank you also to the remaining committee members who have put their hand up to do another year serving the members of the IESANZ. The 2023 CMC is as follows:

Andrew Chase	Chapter President
Steve Hare	Chapter Vice President
Ricky Coombs	Judging Convener LiDA
Scott Forbes	Board Representative
Lee Wegner	Judging Convener LiiA
Kris Boveinis	Tech Meetings
Michael Davies	Treasurer
Mark Devin	Education
Richard Ralph	ARCUS + Media
Jason McKander	Judging Convener LiDA
Paul Doig	Advocacy
Martijn Warren	Tech Meetings

The Technical meeting team look to be delivering a presentation later in March and the details for this should be in this edition of ARCUS. Looking forward to your attendance and also to engagement with you all during 2023

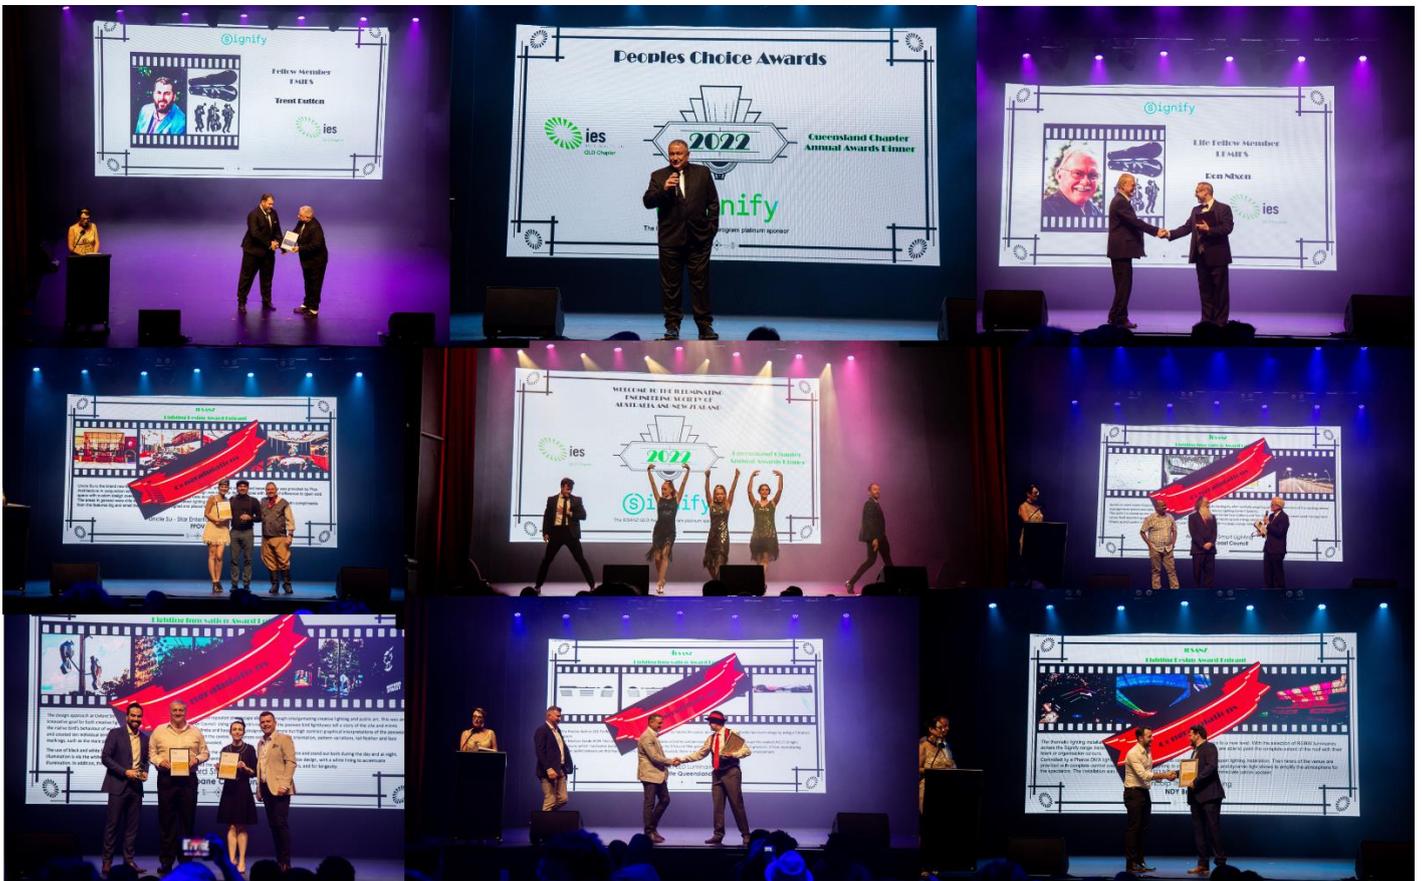

As always, please don’t forget about our social media platforms:

A fabulous night was had by all at The Princess Theatre for the 2022 IES lighting Awards and comments from the audience was that it was one of the best nights so far that Queensland has held.

The entertainment provided by Rokit Productions really added that special touch and enjoyed by the room.

It was also fantastic that so many people embraced the 1920's theme and dressed for the part.

The lighting awards winners were well received by the recipient's and deserved awards.

TECHNICAL MEETINGS

BULIMBA
GOLF CLUB
everyone's welcome

Dear Members and Non Members with an interest in Lighting.

Welcome to 2023.

To Kickstart the New year with a fresh footing i would like to invite all interested members and Non Members who are intersted in lighting to our first Technical Meeting of 2023.

We have found a new location for our Technical meetings and other events at the Beautiful Bulimba Golf Club. The Club is situated in a beautiful historical area of Bulimba and will hopefully provide us with many nights of technical talks on lighting and friendly banter under the enjoyment of a drink and some fingerfood.

The First meeting shall be held on the 28th of March from 18:00 till approximately 21:00.

The Speaker for this night will be Brett Whiteford.

Brett is an Electrical RPEQ Engineer who has build over the years, an extensive knowledge base of the AS/NZS1158 Series of standards and together with his role with Brisbane City Council can provide a in depth perspective in relation to the recent changes to this series of standards and also how these affect new designs as well as other parameters beyond these standards that designers in todays world need to take into account when performing road lighting designs.

If you are new to the dicipline of Road lighting then this will certainly be a night not to mis.

DATE: Tuesday the 28th of March 2023

PLACE: Bulimba Golf Club, 105 Quay Street, Bulimba

This Night is Proudly Sponsored By:

SYLVANIA Schröder
Experts in lightability™
