THANK YOU, PRESIDENT

Thank You, Andrew Chase, for Your Service
and Dedication

Dear Members,

We announce the resignation of Andrew Chase, our President of the Queensland Chapter of the Illuminating Engineering Society (IES), with gratitude and appreciation.

After many years of dedicated service, Andrew has decided to step down from this role. Throughout his tenure, Andrew has been a strong leader. Under his guidance, our chapter has achieved numerous milestones and expanded its influence within the industry. His commitment to the art and science of lighting has significantly impacted our society.

Andrew's leadership has been instrumental in fostering a sense of community among our members, driving educational initiatives, and advocating for high standards in lighting design and engineering. His vision and dedication have advanced our mission and strengthened our society.

On behalf of the Council of Management Committee (CMC) and all members of IES, we extend our thanks to Andrew for his service and contributions. While we are saddened to see him step down, we are also excited to continue building on the foundation he has established. We wish Andrew all the best in his future endeavors and look forward to his continued involvement in the IES community.

CMC

FROM THE PRESIDENT

Welcome all members to the June instalment of Arcus for 2024

I hope this message finds you well.

As Interim President, I wanted to take a moment to extend our sincerest gratitude to Andrew Chase for his exceptional leadership as President of our organization. Andrew's dedication, passion, and tireless efforts have significantly contributed to the growth and success of our community.

As we bid farewell to Andrew, we also warmly welcome our new members to the CMC family, Mai Shonner and Gerard Bowtell-Harris. Your fresh perspectives, diverse talents, and enthusiasm are invaluable assets that will enrich our community.

In the spirit of progress, I am thrilled to announce that preparations for this year's annual dinner are well underway. Behind the scenes, our dedicated team has been working tirelessly to ensure that this event surpasses all expectations. From curated menus to captivating entertainment and venue, every detail is being meticulously crafted to provide an unforgettable experience for all attendees.

Additionally, I'm excited to share that our upcoming technical meetings promise to be a forum for stimulating discussions, knowledge sharing, and collaborative problem-solving. These gatherings present a unique opportunity for us to delve into the latest trends, developments, and challenges shaping our industry.

Warm regards,

Richard Ralph
