## PRESIDENT'S MESSAGE

Welcome all members to the October instalment of Arcus

Judging is almost completed for our Lighting Design Awards. Thank you to this who have entered and good luck on the night.

I am looking forward so much to seeing you all that can attend, and I am extremely excited to let you know we have some exciting events during the night. We are delighted that we are able to have this night at all with NSW and Victoria sadly having to cancel their awards nights

I can confirm that Luke Churchill will be providing the entertainment as he did so beautifully in 2019. The MC for the night will also be the same as 2019 with Nicole Dyer from ABC Gold Coast making a return.

If you are interested in attending, please check for the awards night information in this article and / or contact me personally (0411258509) and I will be able to help you out. I have 2 tables yet to be sold and some single seat to spare

The Committee have been working very hard delivering the best possible event

During our efforts to celebrate the 91<sup>st</sup> Year of the IES I am happy to say that some former members have come forward with some old items for us to share. Hopefully we can pull together an exciting showcase that will provide some laughter and good memories

Also I would like to welcome 2 new Committee members in Richard Ralph and Patrick Trident-Tiercelet and their experience and knowledge of the industry will prove invaluable I am sure. Finally a very big thank you must go to Eric Isdale who is stepping down after many years of service.

That's it from me for this month. Enjoy this addition of Arcus. Stay safe and well and hopefully catch up with you on the 5<sup>th</sup> November

As always, please don't forget about our social media platforms:

Or feel free to message me at [gldpresident@iesanz.org](mailto:gldpresident@iesanz.org)
