

QLD CHAPTER NEWSLETTER

Photo from the Queensland Chapter archives

The Illuminating Engineering Society of Australia and New Zealand is an organization with Chapters in the five mainland States of Australia and New Zealand. The Society operates under the name: IES: The Lighting Society.

The aim of the Society is the advancement of the art and science of illumination and the dissemination of knowledge to all interested parties. The Society's diversified membership includes engineers, architects, educators, students, contractors, manufacturers and designers.

Arcus

Arcus is the official newsletter of the QLD Chapter of the Illuminating Engineering Society of Australia and New Zealand.

Memberships

There are two types of membership available; individual and corporate (or company).

For further information on membership contact Queensland Chapter at the ies website.

QLD Chapter Management Committee

President: Andrew Chase

PRESIDENT'S MESSAGE

Welcome everyone to the September instalment of Arcus

Judging is well underway for our Lighting Design Awards. Thank you to this who have entered and good luck. The awards night is locked in for November 5th at the Calile Hotel in Fortitude Valley

If you are interested in attending, please check for the awards night information in this article and on the website. Tables and Sponsorship opportunities are going fast so please sign up before we hit our attendee limit. The Committee have been working very hard delivering the best possible event.

During our efforts to celebrate the 91st Year of the IES, I am searching for old pictures from older Technical Events, IES dinners and award nights. If you have some in your possession, please share with us the pictures and back stories that highlight our rich history.

That's it from me for this month. Enjoy this addition of Arcus. Stay safe and well and hopefully catch up with you on the 5th November

As always, please don't forget about our social media platforms:

Or feel free to message me at qldpresident@iesanz.org

GM POLES

IES QLD Chapter & GM Poles would like to thank everyone who attended the IES QLD Technical meeting on 21st July.

Despite COVID-19 we managed to go ahead with the meeting and would like to thank Rob Walters & Andrew Barbour and the GM Poles team for making it a safe environment.

Hopefully everyone managed to take something away with them from the meeting to assist with future project designs and the challenges lighting poles come with.

Here are some of the pictures taken on the day, courtesy of Teagan Campbell GM Poles.
