## Trade Show | Auckland 18th August 2021

The IESANZ NZ Chapter has arranged a trade show for our membership and specifiers in the market.

We have 18 suppliers taking the opportunity to provide consultants and specifiers with access to their products in Auckland in a friendly, non-confrontational way.

While the suppliers displaying their wares are limited to those that have members or are corporate members, all (members and non-members) are welcome to come along, so tell your mates, bring your colleagues, come and learn, and network.

Drinks & nibbles will be provided.

**\*\*Please park in car parks with white lines on either side\*\***
