IESANZ Endorsed Long Courses

10 Appendix A

10.1 IESANZ Endorsed Long Courses

The following long courses are currently endorsed by the IESANZ Board as having sufficient content to permit a member to be upgraded to TechIES

- The University of Sydney, Grad Certificate in Architectural Science (Illumination Design)
- Massey University (Auckland), Grad Cert Science & Technology (Lighting)
- RMIT University (Melbourne), N0010 Lighting & Engineering Design
- Engineering Institute of Technology, 52856WA - Advanced Diploma of Illumination Engineering and Lighting Design

Other courses endorsed by IESANZ, while educational, do not have the depth of discussion and learning opportunities that the above courses provide. If pursuing alternative upgrade pathways, the applicant is encouraged to submit the details of completion of other courses for consideration.

10.2 IESANZ Endorsed Short Courses

The following short courses are currently endorsed by the IESANZ Board as being at entry level and not having sufficient content on their own to permit a member to be upgraded

- International College of Lighting, Fundamentals of Light
- International College of Lighting, Sustainable Lighting
- International College of Lighting, Lighting Design Live Workshop

Provider	Course	Year Accreditation Lapses
New South Wales		
The University of Sydney	Grad Certificate in Architectural Science (Illumination Design); on campus.	March 2028
New Zealand		
Massey University (Auckland)	Grad Cert Science and Technology (Lighting); on campus or online distance learning.	October 2024
Auckland University of Technology	Grad Cert Lighting	2008
Christchurch Polytechnic Institute of Technology (CPIT)	Diploma in Advanced Illumination	2005
Queensland		
Queensland University of Technology (QUT)	Grad Cert Lighting	2008
Victoria		
RMIT University (Melbourne City)	N0010 Lighting and Engineering Design; on campus.	August 2023
Australia/New Zealand		
Engineering Institute of Technology (EIT)	52856WA - Advanced Diploma of Illumination Engineering and Lighting Design; online distance learning.	Provisional Endorsement pending full endorsement during 2024
International College of Lighting (ICOL)	Fundamentals of Light; online active learning.	October 2023
International College of Lighting (ICOL)	Sustainable Lighting Application; online active learning.	October 2023
International College of Lighting (ICOL)	Lighting Design Live Workshop; online active learning.	March 2024

The owner of this list is the IESANZ Board, and it shall be maintained by the Board member responsible for Education. The list is current as of June 2023.
