

Australian Institute of Landscape Architects,
ACT Chapter

is hosting the

Built Environment Trivia Night
Albert Hall, 21 February 2019
6pm – 10.30pm

Test your knowledge and have the chance to form the winning cross-disciplinary team. Either bring your own team of eight along or form one on the night. All built environment professionals, partners and students are welcome - the evening will provide local professionals with an opportunity to socialize and network.

Cost: \$50

Your ticket includes drinks, dinner, prizes and trivia!

There are lots of prizes on offer:

- Lucky Door Prize
- Design Challenge Prizes
- Plus more.....

The Winning Team will receive prize's worth \$500

Secure your spot by 18 February by
registering [here](#)

Oh yes, Walter have you put the 21 February 2019 in the calendar?

I have Marion, along with a reminder to send the drawings to Australia for that new Capital city competition.

Marion do you and Walter want to form a team for the Built Environment Trivia Night?

Walter, are you sending them with an African or European swallow? One achieves greater velocity as its wings beat at:
a. 15 beats/second
b. 18 beats/second
c. None of the above.
