

CONFUSED ABOUT THE UPGRADE PROCESS?

Please join us for an update on what's going on at IESANZ from association president Greg Williams, covering what is happening locally and at the ANZ board level.

NZ chapter vice president Kate Conway will present a workshop session on Membership, Status and Qualifications, specifically looking at applying for MIES status.

Workshop to include benefits of upgrading your status, demonstration of the application process and supporting documentation.

Discussion on alternative references, as current MIES or FIES members, may not be able to provide a reference on work experience.

Q&A session to be followed by one on one discussion about your application, so bring along your work in progress application.
